

## **Kawartha Lake Stewards Association 2019 Annual Spring Meeting**

**When:** Saturday May 11<sup>th</sup> from 10:00 – 12:00

**Where:** Bobcaygeon Community Centre (51 Mansfield Drive)

*Please join us in a morning of conversation regarding the health of our important Kawartha Lakes, presentations and scientific inquiry. Hear about KLSA activities, including water quality trends and lake monitoring programs.*

*Learn about what other residents and Lake Associations are doing to protect and enhance the Kawartha Lakes.*

### **Lake Ice Dynamics and the Kawarthas: Climate Change at your Dock**

**Guest speaker:**

**Dr. Jim Buttle Professor, School of Environment, Trent University**

Jim teaches a variety of undergraduate courses in Physical Geography, including Earth's Physical Processes and Environments, Hydrology, Hydrogeology, and Large-scale Geomorphology. Each course emphasizes the field work aspects of the subject, as well as the application of modelling.

***Our Kawartha Lakes: Past, Present and Future***
